

**MEMORANDUM**

**INTERMOUNTAIN POWER SERVICE CORPORATION**

TO: Doug Ingraham  
FROM: Dennis K. Killian  
DATE: August 27, 1991  
SUBJECT: Authorization to Purchase Burner Flame Stabilizers  
FILE: 01.03.03, 14.9010

Please proceed with the attached purchase requisition to RJM Corporation for fabrication of burner flame stabilizers. These stabilizers are for installation on Unit 2 in the Fall 1991 Outage, scheduled to begin October 28, 1991. **Total estimated cost of the flame stabilizers is \$1,800 per burner for a total cost for 48 burners of \$86,400.**

This is a sole source contract utilizing RJM Corporation of Ridgefield, CT, to provide the burner flame stabilizers. We are not aware of any other combustion engineering firm that provides the engineering and fabricated product for flame stabilization.

We will be responsible for the installation of the flame stabilizers. RJM will provide technical support on the installation.

Please contact Jerry Hintze or Aaron Nissen if you have further questions concerning this matter.
